### **In Santa Fe:**

*From the intersection of Paseo de Peralta and Guadalupe Street at the corner by DeVargas Mall and the Cemetery, head east on Paseo de Peralta, past the gas station and playground. The building is on the far right corner at the next light at Griffin Street. Turn right and enter the back side of the parking lot to your left. As you walk toward and enter the back door, you'll see my office windows to the left of the door.*

### **Upon Arrival:**

My waiting room is now in the hallway by my office door – the first on your left as you enter the building. You will see my standard sign on my office door that says either “Come On In” or “Please wait outside.....”
